

How To Post Scores

Step 1 - Log In to App

Use the direct link below or simply go to doublesgolf.com and click Scoring System Login or click this link: <https://2pg.doublesgolf.com/> and login.

Step 2 - Select *Post a Score* from the Menu

If on mobile (cellphone, iPad) you can click Post Score located in the top right corner. If using a laptop, on the left hand side of the page click on the Menu, then

select  Post a Score. You can also click on the '+' button on the main screen beside My Scores.

Step 3 - Post Score

Fill out all of the information for your score. Doubles Golf scores are 9-hole rounds, therefore, if you played 18-holes, you would post two, 9-hole scores.

For league matches using strokes, please always make sure to post your gross score and remember that each hole won is worth 1 point, with tied holes earning $\frac{1}{2}$ point for each team. A match must equal 9 points total.

If you need any assistance please reach out to the Doubles Golf Support staff at doublesgolf@leaguegolf.com.
